Education

- 2010 – 2015 **PhD** Economics, School of Economics and Business, Norwegian University of Life Sciences
- 2007 – 2009 **MSc** Fisheries and Aquaculture Management and Economics, the NOMA-FAME Program, Norwegian College of Fishery Sciences, University of Tromsø & Faculty of Economics, Nha Trang University
- 2004 – 2007 **BEcon** International Economics and Trade, College of Economics and Management, Shanghai Fisheries University

Current Academic Positions

- 2015 – Research Scientist¹ (tenured), Department of Landscape Ecology, Norwegian Institute for Nature Research²
- 2019 – 2020 Associate Professor of Economics³ (untenured fixed term), Faculty of Business, Language, and Social Sciences, Østfold University College
- 2018 – 2020 External Sensor, Department of Business Administration, Inland School of Business and Social Sciences, Inland Norway University of Applied Sciences

Current Affiliations

- 2020 – The Applied Economics Research Group, Faculty of Business, Language, and Social Sciences, Østfold University College
- 2017 – 2021 Guest Professor⁴, College of Economics and Management, Shanghai Ocean University
- 2015 – Oslo Centre for Interdisciplinary Environmental and Social Research (CIENS)
- 2015 – Partnership for European Environmental Research (PEER)

Past Academic Positions

- 2019 Adjunct Instructor⁵, Department of Business Administration, Inland School of Business and Social Sciences, Inland Norway University of Applied Sciences
- 2015 Visiting Research Fellow, Norwegian Institute of International Affairs
- 2010–2015 Scientific Assistant & Research Fellow, School of Economics and Business, Norwegian University of Life Science
- 2011–2012 Visiting Scholar, Department of Economics and Finance, University of Wyoming, Laramie, WY, USA
- 2009–2010 Scientific Assistant, Norwegian College of Fishery Science, University of Tromsø

¹In Norwegian: *Forsker II*.

²Paternity leave between August 13, 2018 and April 1, 2019. Non-paid leave between April 16, 2019 and April 15, 2020.

³In Norwegian: *Førsteamanuensis i samfunnsøkonomi*.

⁴In Chinese: 客座教授.

⁵In Norwegian: *Timelærer*.

Past Academic Affiliations

2015 – 2018 School of Economics and Business, Norwegian University of Life Sciences

Field and Lab Experiences

Economics

- | | |
|-----------------|---|
| June, 2017 | On-line randomized controlled experiment on Amazon M:Turk (sample size: 1008) |
| September, 2015 | Lab experiment on fairness and selfishness, using students from University of Bergen as subjects |
| January, 2014 | Field interviews in wholesale salmon markets in China (in the cities of Hong Kong, Beijing, Shanghai, Shenzhen, and Guangzhou) |
| April, 2012 | Experimental auction study with induced value and preferences in computer lab (44 participants) at Department of Economics and Finance, University of Wyoming |
| December, 2008 | Field survey of local catfish farmers in the Mekong Delta in southern Vietnam |

Ecology and Biology

- | | |
|---------------|---|
| June, 2017 | Field experiment in setting up randomized controlled experiment to study bumblebees pollination services to blueberries, several locations in middle Norway |
| October, 2007 | Fishing trip from Khánh Hòa Province, Vietnam in South China Sea |

Teaching Experiences

Course Responsible / Main Instructor

College of Economics and Management, Shenyang Agricultural University

Discrete Choice Experiments and Modeling PhD Level July, 2016

Inland School of Business and Social Sciences, Inland Norway University of Applied Sciences

KDBA200 Applied Programming for Business Analytics Master Level Fall 2019

School of Economics and Business, Norwegian University of Life Sciences

ECN150 Introduction to Development Economics Bachelor Level Spring 2013

Part of Courses

Faculty of Business, Languages, and Social Sciences, Østfold University College

Forkurs i matematikk Bachelor Level August 2019

(Preparatory Course in Mathematics)

School of Economics and Business, Norwegian University of Life Sciences

ECN150 Introduction to Development Economics	Bachelor Level	Spring 2011
ECN353 Development Economics (Micro)	Master Level	Spring 2013 Spring 2011

Seminars and Computer Lab Exercises

School of Economics and Business, Norwegian University of Life Sciences

ECN201 Econometrics	Bachelor Level	Fall 2014 Fall 2013 Fall 2012
ECN202 Innføring i økonometri (<i>Introduction to Econometrics</i>)	Bachelor Level	Fall 2014 Fall 2013 Fall 2012
ECN311 Microeconomics	Master Level	Fall 2014 Fall 2013 Fall 2012
ECN302 Mathematics for Economists	Master Level	August 2014 August 2013 August 2012

External Examiner

Inland School of Business and Social Sciences, Inland Norway University of Applied Sciences

KDBA120 Business Analytics	Master Level	Spring 2019
DAF1003 Innføring i business analytics (<i>Introduction to Business Analytics</i>)	Bachelor Level	Spring 2019
DAF1002 Dataanalyse (<i>Data Analysis</i>)	Bachelor Level	Fall 2018

Supervision

Nhung Lu Rots. Trainee at Department of Landscape Ecology, Norwegian Institute for Nature Research. January – July, 2017.

Thi Ngan Giang Nguyen. Master of Science in Economics student, School of Economics and Business, Norwegian University of Life Sciences. I was her co-supervisor. Main supervisor: Roberto J. Garcia. December 2018–June 2019.

Grants

As Principal Investigator

“Monetary Valuation of Health Effects of Urban Green Infrastructure.” Funded by Ministry of Climate and Environment of Norway. 2016. NOK 150,000 (\approx USD 17,230).

As Co-Applicant & Co-Investigator

“Second High-Impact Action Workshop on the Convergence of EcoHealth / OneHealth / Environmental Health / Planetary Health.” Funded by Swiss National Fund for Science. Principal investigator: Simon Ruegg. 2017.

“Verdsetting av miljølempene ved spredning av fremmede hageplanter og assosierte blindpassasjerer .” Funded by Norwegian Environmental Agency. Principal investigator: Kristin Magnussen (Menon Economics). 2017. NOK 500,000 (\approx USD 57,566).

As Co-Investigator

“URBAN SIS: Integrating Value Diversity in the Assessment of Urban Ecosystem Services from Nature-Based Solutions in Cities.” Funded by Norwegian Institute for Nature Research. 2016–2019.

“Arctic Freshwater Capital in the Nordic Countries (CAPITAL)”. Funded by the Nordic Council of Ministers. 2017–2018.

“Climate Ecotones: Klimaendringer i fjellet – kommer skogen?” Jointly funded by Research Council of Norway and Norwegian Institute for Nature Research. 2016–2018.

“Naturindeks og økonomisk aktivitet: analyse av påvirkningsfaktorer”. Funded by Norwegian Environment Agency. 2016–2018.

“URBAN-EEA: Experimental Ecosystem Accounting for Urban Ecosystems.” Funded by Research Council of Norway. 2016–2018.

“Demonstrating and Promoting Natural Values to Support Decision-Making in Romania (Nature4Decision-making – N4D)”. Funded by EEA Grants. 2016–2017.

“SUSDIET: Implementing Sustainable Diets in Europe.” Jointly funded by European Commission ERA-NET Scheme and Research Council of Norway. 2014-2015.

“Non-tariff Barriers, Food Safety and International Food Trade.” Funded by Research Council of Norway. 2013–2015.

“Norwegian Fish in the European Market: Market Development, Environmental Labeling, and Changing Consumer Preferences (NORFISH).” Funded by Research Council of Norway. 2010–Dec. 2014.

“Ecosystem Based Management of Corals, Fish and Fisheries in the Deep Waters of Europe and Beyond (CoralFISH).” Funded by European Commission Seventh Framework Programme (FP7). 2009–2010.

Other Academic Services

- 2019–2020 Member of the Application Group for a New Master’s Program in Economics and Management, with Specialization in Digitalization, Østfold University College.
- 2017 Host of lunch seminar, Norwegian Institute for Nature Research, Oslo, Norway, Oct. 11.
Discussant and Session Chair, 8th International Conference on “Economics of Global Interactions: New Perspectives on Trade, Factor Mobility and Development”, Bari, Italy, Sep. 11–12.
Organizer of Spatial Econometrics Workshop, in collaboration with David N. Barton and Kristine M. Grimsrud, Statistics Norway, Oslo, Norway, Sep. 6–8.
- 2016 Co-organizer of CIENS Breakfast Seminar on Nature and Health, Oslo Centre for Interdisciplinary Environmental and Social Research, Oslo, Norway, Feb. 17.
- 2015 Member of the Christmas Dinner (in Norwegian: *julebord*) Committee, Department of Landscape Ecology, Norwegian Institute for Nature Research, Oslo, Norway, Oct. – Dec.
Co-organizer of Breakfast Seminar at School of Economics and Business, Norwegian University of Life Sciences, Ås, Norway, Mar. 20.
- 2014 Departmental contact for School of Economics and Business, Forum for Doctoral Students (FODOS), Norwegian University of Life Sciences, Ås, Norway, Nov. 2013 – Oct.
- 2012 Member of the Christmas Dinner (in Norwegian: *julebord*) Committee, School of Economics and Business, Norwegian University of Life Sciences, Ås, Norway, Nov. – Dec.
- 2008 Conference Assistant for the IIFET 2008 Conference, the International Institute for Fisheries Economics & Trade, Nha Trang, Vietnam, Jul. 22–25.

Academic Presentations

- 2020
- February 13 Trial Lecture, Inland School of Business and Social Sciences, Inland Norway University of Applied Sciences, Rena, Norway. Title: “Digital Transformation and Productivity”.
- 2019
- November 22 Personnel Seminar, Faculty of Business, Languages and Social Sciences, Østfold University College, Strömstad, Sweden. Title: “Soya Beans Trade and the US-China Trade War”.
- October 22 Session T9 - Cultural Ecosystem Services and Public Health in Urban Areas, Ecosystem Services Partnership (ESP) 10th World Conference, Hannover, Germany. Title: “Research Challenges for Cultural Ecosystem Services and Public Health in (Peri-)Urban Environments”.
- June 20 2019 Fisheries Science Youth Scholars’ Forum of Shanghai Ocean University, Shanghai, China. Title: “Stated Preference Model Calibration and Market Share Prediction.”
- June 3 Department of Business, Marketing and Law, School of Business, University of South-Eastern Norway, Hønefoss, Norway. Title: “Forbrukerundersøkelse.”
- January 23 Faculty of Business, Languages and Social Sciences, Østfold University College, Halden, Norway. Title: “En enkel Keynes modell for inflasjonsstyring”.
- 2018
- November 10 URBAN-SIS Meeting, Trondheim, Norway. Title: “Hedonic Price Analysis of Oslo Apartments and Their Accessibility to Urban Green & Blue Infrastructure”.
- April 17 Invited seminar at Jinhe Center for Economic Research, Xi’an Jiaotong University, Xi’an, China. Title: “Paternalist motivation: An experimental test.”

- April 9 “Exchange Knowledge and Experience on Water Pollution Control and Rehabilitation of Urban Ecosystems in China and Norway” Seminar, Oslo, Norway. Title: “Integrated Multi-Stressor of Water Ecosystem, Biodiversity, Economic Valuation and Accounting, and Public Health.”
- January 6 CEANA 2018 Annual Conference, Philadelphia, PA, USA. Title: “China’s Coercive Diplomacy.”
- 2017
- November 21 Sustainable and Green Urbanisation Symposium, Zhongshan, Guangdong, China. Title: “Urban Nature’s Health Effects”.
- October 24 Teoretiske perspektiver til hjelp til verdisetting av friluftsområder, Trondheim, Norway. Title of first presentation: “M98 under One Health”. Title of second presentation: “The Role of Urban Green Spaces in Care Facilities for Elderly People across European Cities”.
- October 10 School of Business and Economics in Tromsø, UiT - The Arctic University of Norway, Alta, Norway. Title of first presentation: “Stated Preference Model Calibration and Market Share Prediction”. Title of second presentation: “China’s Coercive Diplomacy: A Reassessment of the ‘Dalai Lama Effect’ and Beijing’s Punitive Diplomacy”. Title of third presentation: “Preference for Second Child in China: An Experimental Study with Public Policy Implications”.
- October 6 Second High-Impact Action Workshop on the Convergence of EcoHealth / OneHealth / Environmental Health / Planetary Health, Magglingen, Switzerland. Title: “Global Mega-Trends: Graphical Presentations of Data on Global Environment, Biodiversity, and Public Health”, jointly with Richard Kock.
- September 12 8th International Conference on “Economics of Global Interactions: New Perspectives on Trade, Factor Mobility and Development”, Bari, Italy. Title: “China’s Coercive Diplomacy: A Reassessment of the ‘Dalai Lama Effect’ and Beijing’s Punitive Diplomacy”.
- September 4 Norwegian College of Fishery Science, UiT The Arctic University of Norway. Title: “Normative and Positive Economics in Communication of Resource Economic Theory”.
- May 31 “Naturindeks og økonomisk aktivitet: analyse av påvirkningsfaktorer” project meeting, Norwegian Institute for Nature Research, Oslo, Norway. Title: “Impacts of Economic Activities to Biodiversity: An Application of Nature Index in Norway.”
- March 17 “Unity and Diversity in Environmental Health, Eco-Health and One Health: Psychological, Philosophical and Political Aspects” Writeshop, Finnish Environment Institute (SYKE), Helsinki, Finland. Title: “An Integrative and Holistic Approach to Health of Ecosystems, Human, and Non-Human Life”.
- January 31 Urban-EEA Planning Meeting, Oslo, Norway. Title: “Hedonic Price Analysis of Apartment Sales in Oslo (2007-2015)”.
- January 6 – 8 Poster presentation at American Economic Association Annual Meeting (part of ASSA Annual Meeting 2017), Chicago, USA. Title: “China’s Changing Coercive Diplomacy: Reassessing the ‘Dalai Lama Effect’ and Beijing’s Use of Punitive Economic Measures”.
- 2016
- November 25 Invited presentation at Lillhammer Department, Norwegian Institute for Nature Research. Title: “Research of Xianwen Chen: A Presentation for NINA Colleagues”.
- November 10 Invited presentation at Leibniz Institute of Ecological Urban and Regional Development, Dresden, Germany. Title: “Urban Nature’s Health Effects and Monetary Valuation: A Systematic Review”.
- October 19 Invited presentation at Department of Terrestrial Ecology, Norwegian Institute for Nature Research, Trondheim, Norway. Title: “Research of Xianwen Chen: A Presentation for NINA Colleagues”.

- October 6 The European OneHeald/EcoHealth Workshop, Belgian Biodiversity Platform, Brussels, Belgium. Title: “Urban Nature’s Health Effects and Monetary Valuation: A Systematic Review”.
- September 8 The 11th ALTER-Net Summer School, Peyresq, France. Title: “Research Questions That Interest Me in Plain Language”.
- July 12 Invited presentation at College of Economics and Management, Shenyang Agricultural University, Shenyang, China. Title: “Valuing Environment: Ecolabel and Public Health”.
- July 9 Second Society for Urban Ecology (SURE) Congress, Shanghai, China. Title: “Cultural Ecosystem Services and Public Health in (Peri-)urban Environments”.
- June 13 Seminar at Norwegian Ministry of Climate and Environment, Oslo, Norway. Title: “Urban Nature’s Health Effects and Monetary Valuation: A Systematic Review.”
- May 9 Presentation at Norwegian Institute for Nature Research, Oslo, Norway. Title: “Hedonic Price Analysis.”
- February 17 CIENS Breakfast Seminar: Natur i byen - viktig for helse og velvære, Oslo Centre for Interdisciplinary Environmental and Social Research, Oslo, Norway. Title: “Urban Nature –How Does It Matter to Public Health?”
- 2015
- November 11 2nd Norwegian Food Market Research Conference, Son, Norway. Title: “Stated Preference Model Calibration and Market Share Prediction”.
- October 30 NINA Oslo Lunch Seminar, Department of Landscape Ecology, Norwegian Institute for Nature Research, Oslo, Norway. Title: “Nature, Health, Statistics, and Economics.”
- October 6 PEER Workshop ”Cultural Ecosystem Services and Public Health”, Schiphol, the Netherlands. Title: “Follow-Up Research on Cultural Ecosystem Services and Public Health.”
- October 5 PEER Workshop ”Cultural Ecosystem Services and Public Health”, Schiphol, the Netherlands. Title: “Projects on Cultural Ecosystem Services and Public Health.”
- August 25 PhD Thesis Defence, School of Economics and Business, Norwegian University of Life Sciences, Ås, Norway. Title: “Four Essays on Consumer Studies, Market Simulation, and International Trade of Fish.”
- PhD Trial Lecture, School of Economics and Business, Norwegian University of Life Sciences, Ås, Norway. Title: “An Overview of Methods for Understanding Consumer Behavior and Preferences for (Sustainable) Food Products —with a Focus on Pros and Cons of the Different Methods.”
- April 8 “XVI April International Academic Conference on Economic and Social Development”, National Research University Higher School of Economics, Moscow, Russia. Title: “China’s Salmon Sanction.”
- March 17 Seminar at Norwegian Institute for Nature Research, Oslo, Norway. Title: ”Valuation of Urban and Peri-Urban Ecosystem Services in Oslo and Future Research”.
- February 26 Project “Non-tariff Barriers, Food Safety and International Food Trade” Final Conference, Norwegian Institute of Foreign Affairs, Oslo, Norway. Title: “China’s Salmon Sanction.”
- January 8 FIBE 2015, Norwegian School of Economics, Bergen, Norway. Title: “Labelling Farmed Seafood.”
- January 5 The 37th Meeting of the Norwegian Association of Economists, University of Bergen, Bergen, Norway. Title: “Stated Preference Data Enrichment, Model Calibration, and Market Share Predictions”.
- 2014
- November 27 East Asia Lunch Seminar, Department of Culture Studies and Oriental Languages, University of Oslo, Oslo, Norway. Title: “Changing Patterns in The Salmon Trade between Norway and China: The Use of Economic Sanctions”.

- November 24 Seminar at School of Economics and Business, Norwegian University of Life Sciences, Ås, Norway. Title: “Labeling Farmed Fish.”
Seminar at School of Economics and Business, Norwegian University of Life Sciences, Ås, Norway. Title: “Stated Preference Data Enrichment, Alternative Specific Constant Calibration, and Market Share Forecast.”
- October 28 Non-Tariff Barriers, Food Safety and International Trade: Second Workshop, Norwegian Institute of Foreign Affairs, Oslo, Norway. Title: “Changing Patterns in The Salmon Trade between Norway and China: The Use of Economic Sanctions”.

- May 19 Seminar at Department of Economics and Resource Management, Norwegian University of Life Sciences, Ås, Norway. Title: “Consumer Awareness and Attitudes Toward Quality Assurance Schemes for Environmental Responsible Fisheries and Aquaculture.”
- April 29 STAT300 Statistical Data Analysis, Norwegian University of Life Sciences, Ås, Norway. Title: “Consumer Awareness and Attitudes Toward Quality Assurance Schemes for Environmental Responsible Fisheries and Aquaculture.”

Academic Qualification Assessments

Professor Candidate

In December 2018, I was evaluated to have sufficient competence as Professor Candidate in International

Trade and Market Access by an expert committee on behalf of the Nord University.

Associate Professor

In April 2019, I was evaluated to have sufficient competence as Associate Professor in Marketing by an expert committee on behalf of the University of Southeast Norway.

In December 2018, I was evaluated to have sufficient competence as Associate Professor in Economics by an expert committee on behalf on the Østfold University College.

In February 2018, I was evaluated to have sufficient competence as Associate Professor in Economics by an expert committee on behalf of the University College of Southeast Norway.

In September 2017, I was evaluated to have sufficient competence as Associate Professor in Economics by an expert committee on behalf of the UiT The Arctic University of Norway.

In August 2017, I was evaluated to have sufficient competence as Associate Professor in Business Analytics by an expert committee on behalf of the Inland Norway University of Applied Sciences.

In June 2017, I was evaluated to have sufficient competence as Associate Professor in Environmental and Resource Economics by an expert committee on behalf of the UiT The Arctic University of Norway.

In June 2017, I was evaluated to have sufficient competence as Associate Professor in Economics by an expert committee on behalf of the Western Norway University of Applied Sciences.

Volunteering

2016 – 2019	Board Member, AS Vollebekk Boliglag, Ås, Norway
2015 – 2016	Temporary Board Member, AS Vollebekk Boliglag, Ås, Norway
2014 – 2016	Security, Ordensvern, Studentsamfunnet i Ås, Ås, Norway
2015	Leader, NMBU Chinese Students and Scholars Association, Ås, Norway
2014 – 2015	Board Member, Erasmus Student Network (ESN) Ås, Ås, Norway
2012	Volunteer, Laramie Mapping Party, Laramie, WY, USA
2010	Security Guard and Video Camera Assistant, Sami Easter Festival, Kautokeino, Norway.
